## DIRECTLY REGISTERED STOCK EXCHANGE ORDERS

Transactions are carried out by CACEIS Bank, a public limited company with a board of directors, entered in the Paris trade and companies register (RCS) under number 692 024 722 and whose head office is located at 1-3, Place Valhubert, 75013 Paris.

### Your stock exchange orders

Account holders place buy or sell orders online from their Shareholder Portal at [www.airliquide.com](http://www.airliquide.com). For security reasons, Air Liquide will assign an ID (per account) as long as a duly completed account agreement has been submitted with the requested supporting documents. Due to the confidentiality resulting from the use of the login information, the account holders accept being considered the sole originators of any transmitted order.

Online buy orders, paid for in full by automatic direct debit (SEPA only) or by bank card, and online sell orders, are subject to a brokerage rate, without minimum purchase or sale, of 0.1% excluding tax of the gross transaction amount.

Buy or sell orders sent by mail, e-mail, or telephone are subject to a brokerage rate of 0.18% excluding tax of the gross transaction amount. The order must contain the direction of the transaction, the number of securities, and the validity period (maximum of 2 calendar months). If no instructions are provided, orders will be automatically valid until the end of the calendar month, but they may be canceled or modified during this period.

Any written buy or sell order by e-mail or mail must be accompanied by a **copy of the front and back of an identification document** of the account holder(s)/representatives.

After the order is executed, the holders will receive a transaction notice (per account) by e-mail specifying the execution conditions, fees, and payment terms. It will be available on their online Shareholder Portal.

If purchases of securities are not fully paid for by bank card (limited to a total of €3,000 gross) or by automatic direct debit (SEPA only) and the account does not have enough securities to cover the amount, a bank transfer (1) for a deposit of 80% of the amount of the purchases must be sent to Air Liquide bank transfer. The security account ID must be indicated in the transfer reference. The balance of the purchase price will be due upon receipt of the transaction notice.

If no payment is received for purchases by the deadlines indicated on the transaction notice, Air Liquide may sell all or part of the directly registered securities in the account of the holders.

In its capacity as custody account keeper, Air Liquide is obliged to return the securities that it holds in its books on behalf of the holders. However, Air Liquide will be unable to return the securities recorded in the security account if they are unavailable either as a precaution or by virtue of an enforcement order, or encumbered by a legal or contractual security interest in favor of Air Liquide or another creditor.

Air Liquide may object to the return of the securities in custody in the event that fees remain due by the holders.

Air Liquide's responsibilities in its capacity as custody account keeper cease, for securities whose return has been requested, as soon as this return is carried out.

The holders are informed and acknowledge that, pursuant to the provisions of the French Monetary and Financial Code, Air Liquide, in its capacity as custodian account keeper, has a right of set-off enabling it to be guaranteed, with regard to the holders, for all debts due to them and arising from the execution of buy and sell orders on behalf of holders or due to the substitution of the defaulting holders for the settlement of transactions, including receivables arising from loans or advances. In addition to this lien, Air Liquide may benefit from other security interests, liens, and/or rights of set-off.

Unless otherwise agreed in writing, and provided that the nature of the securities so permits, all securities held in the account by Air Liquide are subject to the fungibility regime.

The holders agree that Air Liquide will, where appropriate, transfer these securities to an institution managing a clearing or liquidation system.

Pursuant to the provisions of the French Monetary and Financial Code and the French Civil Code, the holders expressly authorize Air Liquide to make adjustments to their security account in the event of an adjustment of an executed order or of the position eligible for a corporate action or in the event of an error or default, in particular of Air Liquide, a central depository, or an intermediary. Regularizations may only relate to securities and cash amounts strictly necessary for the regularization of the transaction(s) and must be carried out as soon as possible from the date on which Air Liquide becomes aware of the regularization to be carried out.

In the event of a dispute, jurisdiction is conferred on the courts of the location of the head office of L'Air Liquide S.A.

Whenever it deems it reasonably necessary in view of its obligations, CACEIS Bank may, through Air Liquide, request any explanation and the production of any supporting document from the holders, mainly:

- concerning any transactions that appear unusual because of, in particular, their methods, amount, or exceptional nature compared with those previously processed by the holders;
- concerning the source of the funds used to purchase directly registered securities;
- concerning the true identity of the persons for whose benefit the account is opened, if it appears that the holder(s) might not act on their own behalf, subject to the application of the special rules of the legislative framework governing registered intermediaries within the meaning of Article L 228-1 of the French commercial code.

For further information on the placement of stock exchange orders, you can contact our Advisors at 0 800 166 179 (toll-free call) from France or at (+33) (0)1 57 05 02 26 internationally.

In accordance with the French amending finance law of 2017, the tax on financial transactions is applicable at the rate of 0.3% of the gross amount of purchases of Air Liquide securities.

# GENERAL TERMS AND CONDITIONS FOR SECURITY ACCOUNTS HELD WITH AIR LIQUIDE

## **OPENING THE AIR LIQUIDE DIRECTLY REGISTERED SECURITY ACCOUNT**

Any natural or legal entity shareholder may hold a security account kept by Air Liquide. The shareholder must be fully capable of carrying out civil matters or be duly represented.

Failure to sign an account-keeping Agreement does not comply with the French financial market authority's general regulations. Article L322-67 4 provides that an agreement must be established with the holder of the securities. **This signed security account Agreement, together with the required supporting documents, will enable you, in the case of a directly registered security account Agreement for a legal entity or an individual, to have access to online stock market orders from the Shareholder Portal (<https://www.airliquide.com>).**

**The signatory of the security account Agreement certifies that he/she has read the general conditions and accepts them.**

**SUPPORTING DOCUMENTS TO BE PROVIDED** in the case of online opening of a direct registered security account for individuals. The account holder(s)<sup>(1)</sup> and Air Liquide agree that the account holder(s)<sup>(1)</sup> may express his/her or their consent by signing electronically by means of a code received by SMS and/or by using any other means made available to him/her or to them by Air Liquide. In accordance with Article 1368 of the Civil Code, the account holder(s)<sup>(1)</sup> and Air Liquide establish the rules of evidence admissible between them in the context of the electronic signature process. The cardholder(s)<sup>(1)</sup> and Air Liquide agree that the identification elements used in the context of the electronic signature of this Agreement, namely the authentication devices, the single-use certificates and the time-stamping elements, are proof of the data and elements they contain as well as of the authentication processes and signatures they express, and are admissible in court in the event of a dispute.

## **PROVIDING INFORMATION TO HOLDERS**

Air Liquide makes available to holders<sup>(1)</sup> an account statement as of December 31 of each year and all their account documents online in their Shareholder Portal.

Holders<sup>(1)</sup> are informed by e-mail of any new document placed in their online Shareholder Portal at the e-mail address that they have communicated; if no e-mail address is provided or on express request, they are informed by mail. Air Liquide informs the account holders<sup>(1)</sup> of each securities transaction, enabling them to exercise the rights attached to the securities in the account where necessary.

## **UPDATE OF THE GENERAL CONDITIONS**

All legal or regulatory modifications are binding on the Parties and will take effect automatically without any particular action by Air Liquide with respect to the holder(s)<sup>(1)</sup>.

In the case of modifications to the Agreement at Air Liquide's initiative, the holder(s)<sup>(1)</sup> will be informed of the availability of the new version of the Agreement at least one <sup>(1)</sup> month before it comes into force. The holder(s)<sup>(1)</sup> may consult the Agreement in force at any time on the website <https://www.actionairliquide.com>. If the holder(s)<sup>(1)</sup> does not terminate the Agreement within this period, he/she or they will be deemed to have accepted the new version of the Agreement. If the account holder(s)<sup>(1)</sup> does not accept the new version of the Agreement, this will result in the closure of the holder(s)'s Air Liquide security account. It is the responsibility of the holder(s)<sup>(1)</sup> to notify by registered mail his/her or their refusal to accept the new version of the Agreement to the following address: AIR LIQUIDE Direction du Service Actionnaires - TSA 91948 - 62978 ARRAS Cedex 9. In any case, in the event of non-acceptance of the new version of the Agreement, the account holder(s)<sup>(1)</sup> will be obliged to close his/her or their Air Liquide security account before the date on which the new version of the Agreement comes into effect. In this case, the Air Liquide security account will be closed and we will be able, at the holder's or the holders discretion, either to transfer the securities to the bank indicated by the holder(s) or to sell them and credit the holder(s)'s bank account with the proceeds of this sale.
